Just re-looking at my notes from my convo with Chris Steele, I see that Chris said Kukes has some connection to Serge Millian, an émigré who is identified by FT as head of the Russian-American Chamber of Commerce. According to what Chris said to me in early October, Millian has apparently "disappeared," i.e., left the U.S. and hasn't been seen recently. I don't know anything about Millian, but he is referenced in the FT story: <https://ig.ft.com/sites/trumps-russian-connections/>

Kathy -

Thank you for taking the time to meet with us. I really hope we can get something going here.

This is very interesting - I may have heard about him from Tom Firestone as well, but I can't recall for certain. We will take another look at this.

Thanks again, and I look forward to seeing everyone at the next meeting.

Bruce,

Thanks so much for coming by. It was very helpful to hear about the work the OCDE TF is doing, and we look forward to staying in touch.

Regarding the person I mentioned, Simon Kukes, below are a couple of links to the story I mentioned. I met Simon Kukes around 2014. Tom Firestone brought him in. Kukes had left Russia because he said he was concerned he might be investigated - as I recall he said had gotten a summons to a court on some issue. Per Tom Kukes was trying to decide whether to relocate to the U.S.; he was supposedly worried about his

Dear Chairman Johnson and Chairman Grassley:

On behalf of the Federal Bureau of Investigation (FBI), this further responds to your letter, dated July 28, 2020, to the Department of Justice and the FBI, and subsequent informal requests from Committee staff.

In order to support the Committees' requested timeframe, the FBI declassified and produced the enclosed documents on August 27 and August 30, 2020. Due to the expedited nature of these productions, the documents did not include Bates-numbers and watermarks. For consistency and record-keeping purposes, the FBI is enclosing with this letter identical documents to those previously provided, but with Bates-numbers and watermarks added.

This production is Bates-numbered Senate_HSGAC_TransitionReq FBI002639-002658. As explained to Committee staff, the FBI is willing to engage in discussions regarding specific redactions about which there may be questions. The production and review of these materials does not waive any applicable privilege.

Thank you for your support of the FBI, its mission, and its people.

STEELE. The first string of emails documents that USDOS employees were not only aware of the FBI's relationship with STEELE, the name of the Special Agent handler [REDACTED], the CHS' company name, but also knew of the CROSSFIRE HURRICANE team's planned travel [REDACTED] on October 3 to meet with STEELE. In addition, it also appears an unnamed USDOS employee may have been [REDACTED] and met with STEELE, who is a friend or an acquaintance and took notes during the STEELE meeting. The notes were not provided to the FBI as the USDOS employee believes STEELE already passed the FBI this information.

The second string documents that following the FBI's meeting with STEELE on October 3, 2016, Kathy Kavalec, Deputy Assistant Secretary, Bureau of European Affairs, acting on behalf of Victoria "Toria" Nuland, the Assistant Secretary of State for the Bureau of European Affairs, requested an update from [REDACTED] Section Chief Steve Laycock regarding the FBI's meeting with STEELE.

Hi [REDACTED],
Below is what I was able to find in my emails.

Additionally, I remember that Pete or [REDACTED] had an idea of who the DOS employee was that met with the Orbis employee so I ran that person's name by Kathy and she all but confirmed that it was the same person who had provided his hand written notes to Nuland. I don't remember ever getting these notes from Nuland or Kathy.

Thanks

Hi,
Just spoke with Kathy Kavalec (Russia DAS, reports directly to Toria) and reiterated the urgency of getting this report. She is going to ask Toria again and relay the urgency.

Kathy provided some background on the report, which are actually notes taken by a DOS employee. It sounds like the employee may have been [REDACTED] and met with the Orbis Security source who is a friend or an acquaintance. The DOS employee wrote notes during their meeting and came back to State and gave a copy to Toria. The DOS employee did not feel comfortable sharing these notes with the FBI (potentially just because they didn't feel they should be used for

anything official) and said that it sounded like the Orbis source had already provided the info to the FBI. The DOS employee also knew that the FBI was flying [REDACTED] to meet with the Orbis source next week.

Toria has the notes, I haven't seen them and wasn't told about the content. Toria, as of yesterday, didn't feel comfortable passing them to us based on the request from the DOS employee that they not be shared. I'm guessing Toria will readdress with the DOS employee after my meeting with Kathy so I'll let you know what I hear back.

Thanks

The email she sent below is that follow up. I can certainly follow up with Kathy to see about the report, if needed.

Hi Steve,

Thanks for coming over today. Regarding the issue we discussed at the end of our meeting, Toria inquired and was told the source of the information, from Orbis Security, is planning to meet on Monday, October 3, with [REDACTED], who she was told is your [REDACTED]. This source also said some folks from FBI are flying out [REDACTED] to meet him. Apparently the source and [REDACTED] know each other from New York.

I hope that is helpful in putting the pieces together!

Steve,

I'd be interested in [REDACTED]'s response to you. From Friday's meeting with [REDACTED] and [REDACTED] we came to the conclusion that first and foremost the source's security is most important and we should never disclose our relationship regardless of if the CHS disclosed the relationship. As you know, the CH Team and [REDACTED] fully admonished the CHS that we have a confidential relationship so we shouldn't have any more loose lips. The idea from Friday's meeting was to have [REDACTED]

remain engaged with Kathleen and Toria as a sounding board in a non-committal way as he would hear if the CHS wasn't keeping up his end of the confidential relationship bargain.

I also don't know how its State's business or how they think it appropriate to ask about a potential FBI source meet on such a politically charged subject. That is sending flags up.

I think [REDACTED] will have the best approach and idea on how to give a non-committal answer. Obviously she knows we had a team travel [REDACTED] and the source's admission, but I don't think we owe her any type of read-out and a political appointee should know better than to ask about a potential investigation of a political rival. I think we leave it at - a meeting occurred, the FBI collected information. I defer to [REDACTED] for his sense on how to handle the situation.

Source Reporting:

The attached document is a memo from the CHS describing intelligence that CHS received from Jon WINER, US Department of State on October 18, 2016. CHS has stated that CHS has a business association with WINER. The memo describes how WINER obtained the intelligence and that it is apparently from a FSB sub-source. The information describes the FSB efforts at successfully compromising Donald TRUMP.

Company Note

We received this report from Jon WINER, US State Department on 18 October 2016. It is the second in this series we have seen. We consider it potentially significant and apologise in advance for its rough format. The sub-source, as we understand it, is a Turkish businessman with strong Russian, including FSB links. He is in touch with Cody SHEARER, a contact of Sydney BLUMENTHAL, a friend of the CLINTONS, who passed it to WINER. We have no means of verifying the source/s or information but note that some of the reporting is remarkably similar to our own, albeit from a completely different sourcing chain, and therefore could be important collateral, especially on the reported Ritz Carlton incident in 2013; TRUMP's compromise by the FSB (and knowledge of it); and subsequent Kremlin funding of the TRUMP campaign (through the AGALAROVs). We judge that WINER at least would be happy to discuss all this further with you.

and a second time at the Crocus shopping mall where the
pageant was held. He said there is a special complex for
distinguished guests in the Crocus complex with
all the amenities including a pool. This complex is owned
by the Agalarov family.
He said he believes a copy of the sex videos is in
Bulgaria, Israel and FSB political unit vaults in
Moscow.
Having seen the videos, he describes Trump's behavior as
"very dark."
He said
"This guy has mental issues with women. He
doesn't act normal. There is a lot of penetration

of penetration. Gosh! He grabs her. He licks her
and
makes her lick him. He sticks his fingers up her
rass. He is
a psychopath. He likes to make the women scr

hurt them.”
From observing Trump for years in previous visits to
Moscow, the FSB knew he had a weakness for women.
But he said Trump’s behavior illustrated that he really did
not like women.
He said that he knew that Trump eventually learned that
he had been flipped in a honeypot operation in Moscow.
He was also filmed in St. Petersburg. He said Trump was
furious when he learned what had happened. Many of the
old Russian friends Trump used to collaborate with, he is
no longer on good terms with.
He repeated that the first FSB generated payments to
Trump took place in Baku, at the presidential palace. The
first one was for \$10 million, which Trump took personally.
The next payment of \$30 million went to daughter Ivanka.
The FSB money was originally passed through Aras
Agalarov, the billionaire real estate mogul, who served as
a liaison between Trump and Putin. Anar Mam

was also involved. The presidential palace was
used

U.S. Department of Justice

Federal Bureau of Investigation

Washington, D.C. 20535-0001

October 9, 2020

The Honorable Ron Johnson
Chairman
Committee on Homeland Security and
Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Chairman Johnson:

This further responds to your letter to the Federal Bureau of Investigation (FBI), dated October 2, 2020, requesting the production of certain additional documents related to the Crossfire Hurricane investigation. This supplements our letter, dated October 6, 2020.

The Attorney General has determined it is now appropriate to provide a set of former FBI Deputy Director Andrew McCabe's text messages, which are enclosed with this letter and Bates-stamped Senate HSGAC_TransitionReq FBI003902-003925. These messages are a subset of the text messages previously made available in the Department of Justice (Department) reading room, appropriately narrowed to be responsive to the Committee's expressed areas of investigation. In identifying this subset of text messages, the FBI and the Department, acting in good faith and out of an abundance of caution to avoid excluding relevant messages, opted to include certain text messages that could be related to the Crossfire Hurricane or Midyear Investigations, but we could not conclusively determine whether they were related. Accordingly, the mere inclusion of these messages should not be understood to indicate that the messages were related to one of those investigations.

Limited redactions have been made to, among other things, protect personally identifiable information, law enforcement sensitive information, and the identity of non-Senior Executive Service personnel. Production of these text messages does not preclude Committee staff from returning to review these and other text messages in the Department's reading room. The FBI is willing to engage in discussions regarding specific redactions about which there may be questions.

We will continue the open dialogue with you and your staff in order to appropriately accommodate the Committee's requests for documents, consistent with our law enforcement and national security obligations. Thank you for your support of the FBI, its mission, and its people.

Sincerely,

Jill C. Tyson

U.S. Department of Justice

Federal Bureau of Investigation

Washington, D.C. 20535-0001

October 14, 2020

The Honorable Ron Johnson
Chairman
Committee on Homeland Security and
Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Chairman Johnson:

This provides an initial response to your letter, dated October 12, 2020, requesting the production of additional text messages related to the Crossfire Hurricane investigation. This supplements our letter and production, dated October 9, 2020, of certain text messages from former Federal Bureau of Investigation (FBI) Deputy Director Andrew McCabe.

The Attorney General has determined it is now appropriate to provide an additional set of Mr. McCabe's text messages, which are responsive to the Committee's expressed investigative inquiries and enclosed with this letter, Bates-stamped: Senate HSGAC_TransitionReq FBI003963-004020. These messages were identified from a collection of Mr. McCabe's text messages from March 1, 2015, through his termination from the FBI in March 2018. Consistent with the October 9th production, in identifying these additional text messages the FBI and the Department of Justice, acting in good faith and out of an abundance of caution to avoid excluding relevant messages, opted to include certain text messages that could be related to the Crossfire Hurricane or Midyear Investigations, but we could not conclusively determine whether they were related. Accordingly, the mere inclusion of these messages should not be understood to indicate that the messages were related to one of those investigations.

Limited redactions have been made to, among other things, protect personally identifiable information, law enforcement sensitive information, and the identity of non-Senior Executive Service personnel. The FBI is willing to engage in discussions regarding specific redactions about which there may be questions.

The FBI's review of messages from its Lync messaging system remains ongoing, based upon the priority custodians identified by majority staff. We will continue the open dialogue with you and your staff in order to appropriately accommodate the Committee's requests for documents, consistent with our law enforcement and national security obligations. Thank you for your support of the FBI, its mission, and its people.

Sincerely,

Jill C. Tyson
Assistant Director
Office of Congressional Affairs

The Honorable Ron Johnson

365	2017-06-04 22:43:13, Sun	[REDACTED]	INBOX	[REDACTED]	Hey boss good evening. Hope you had a good weekend and are ready for the yellow brick road tomorrow. Should be a good event. There will be showers there for us to use Post Run. [REDACTED] said he was going to reach out to you regarding an op-ed he wants to put out on the boss. I've read it and offered a few suggestions although I know Jim rybicki is against it. Frankly I don't see that [REDACTED] discloses any inside baseball and is nothing but supportive and presents a side of the boss's humanity that I think would be good for people to see. My main concern reading it is whether it puts any of the other senior leaders in a bad position if we say they were crafted or promoted in His image and would that somehow be held negatively against them moving forward. We have time tomorrow to chat about it during travel and I know [REDACTED] is probably less objective than most given his time with the boss. Anyway, I would wear some older crapped out running shoes in the event we hit mud. We'll see you in the a.m., Eric.	sms	[REDACTED]

371	2017-12-24 02:31:01, Sun	[REDACTED]	OUTBOX	[REDACTED]	It's taken me a while to compose a response. I can't tell you how much it means that you have notice and appreciate my efforts. No matter what happens, our responsibility to lead those around us never ends. And they need an example, a model, of positive, engaged, focussed, consistent leadership. Always. One of the greatest demands upon us is to present that model despite the crisis that swirls around us. So if I have done that, then mission accomplished. No matter what the politicians say. \n\nHave a great holiday.	sms	[REDACTED]

FBI - NOT FOR PUBLIC RELEASE - PRODUCED TO HSGAC

U.S. Department of Justice

Federal Bureau of Investigation

Washington, D.C. 20535-0001

October 15, 2020

The Honorable Ron Johnson
Chairman
Committee on Homeland Security and
Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Chairman Johnson:

This further responds to your letter, dated October 12, 2020, requesting the production of additional text messages related to the Crossfire Hurricane investigation. This supplements our letters and productions, dated October 9 and October 14, 2020, of text messages from former Federal Bureau of Investigation (FBI) Deputy Director Andrew McCabe.

The Attorney General has determined it is now appropriate to provide additional text and Lync messages, which are responsive to the Committee's expressed investigative inquiries and enclosed with this letter, Bates-stamped: Senate HSGAC_TransitionReq FBI004021-FBI004033. Specifically, the enclosed messages come from eight (8) Senior Executive Service (SES) custodians identified and prioritized by Committee staff, and for whom the FBI had an existing collection of text and Lync messages. As previously explained to Committee staff, this existing collection of messages was for the period from June 1, 2016, through May 25, 2018, and was collected with the use of several dozen search terms. The FBI is expediting its ongoing review of collected messages for the 9th SES custodian identified and prioritized by Committee staff. We anticipate producing responsive messages during the week of October 19th.

In order for the Committee to more easily identify each custodian in this production, we are providing the following identifying information. Lync messages: Trisha Anderson, FBI004021-23; James Baker, FBI004023; Carl Ghattas, FBI004024; Stephen Laycock, FBI004025-26; Andrew McCabe FBI004027; and, E.W. Priestap FBI00428. Text messages: James Comey, FBI004029; Stephen Laycock, FBI004030-31; E.W. Priestap, FBI004032; and, Michael Steinbach, FBI004033.

Consistent with the October 9th and 14th productions, in identifying these additional text and Lync messages the FBI and the Department of Justice, acting in good faith and out of an abundance of caution to avoid excluding relevant messages, opted to include certain text messages that could be related to the Crossfire Hurricane or Midyear Investigations, but we could not conclusively determine whether they were related. Accordingly, the mere inclusion of these messages should not be understood to indicate that the messages were related to one of those investigations. Limited redactions have been made to, among other things, protect personally identifiable information, law enforcement sensitive information, and the identity of non-Senior Executive Service personnel. The FBI is willing to engage in discussions regarding specific redactions about which there may be questions.

The Honorable Ron Johnson
Page Two

The FBI believes that this completes its production of the prioritized text messages and Lync messages from the classified-Secret enclave, with the exception of the ongoing expedited review of the 9th SES custodian. As part of our continuing dialogue with the Committee, and to appropriately accommodate the Committee's requests consistent with our law enforcement and national security obligations, the FBI will provide an update on our review of the Lync messages from the classified-Top Secret enclave during the week of October 19th.

Thank you for your support of the FBI, its mission, and its people.

Sincerely,

Jill C. Tyson
Assistant Director
Office of Congressional Affairs

2016-09-28 21:36:17	strzol	anderson	I spoke with [REDACTED] and think explained generally how we're approaching the broad election issue, and I hope corrected any misperception. I think she (don't know to what extent Tash is) is looking for more regular info. Some of that desire I get given Andy is updating the DAG every M/W/F. I offered that we're meeting with NSD once a week to discuss the election/influence activities (we're expanding the Crossfire discussion to include Cyber as I understand [REDACTED] and [REDACTED] were caught unaware by the Yahoo! publicity).
2016-10-06 19:47:08	anderson	[REDACTED]	Can you please send me the Crossfire Dragon FISA on SCION?
2016-11-28 20:17:20	anderson	[REDACTED]	Jim was aware of her involvement in the London trip; it's at the direct request of the DD.
2016-12-16 21:25:03	[REDACTED]	anderson	I have a copy of the [REDACTED] reporting for you (from Moffa). I gave Jim a copy on Tuesday so he already has it.
2017-03-22 13:41:04	[REDACTED]	anderson@	I was going to go over with Bill and Pete for the weekly Crossfire update for the A/DAG. (Today at 10). I assume that's the right level of OGC engagement in your absence, but let me know if you want me to include someone else.

2017-10-23 19:46:22	anderson	[REDACTED]	Also, are you going to be ready to talk through the FISA use question with Andy and Bill at 10:30 tomorrow? We were able to get on their calendars quickly.

2017-10-26 21:51:16	[REDACTED]	anderson@	Also, the FISA use meeting tomorrow with the DD includes Archey. He will feel the need to bring an SCO attorney (most likely Brandon Van Grack). I would suggest we either cancel the meeting or have it without Archey.

2018-02-12 17:09:10	[REDACTED]	anderson@[REDACTED]	Hi Trisha - Just wanted to check in to see who you wanted to participate in a few of the OCA requests coming in on UNET. Specifically: (1) Today - 2 pm call and 4:30 meeting with HPSCI minority; (2) Tues - McCabe Prep at LX2 and (3) Weds - McCabe interview with SSCI. Finally, FYI - Bill is currently scheduled to meet with SSCI on Thursday afternoon re the 01/18/2018 letter (I believe this is the Steele subsource). I will forward you that invite (it's on FBINet).

Finally, FYI - Bill is currently scheduled to meet with SSCI on Thursday afternoon re the 01/18/2018 letter (I believe this is the Steele subsource). I will forward you that invite (it's on FBINet).
2018-05-08 16:25:37	[REDACTED]	anderson@[REDACTED]	[5/8/2018 11:09 AM] [REDACTED] (OGC) (FBI): Hi guys. [REDACTED] left a note on [REDACTED] white board. I'm following up. At the morning meeting, Dana brought up a staff interview of Priestap and his DAD that's happening with SSCI tomorrow re: a request related to Russia. Trisha didn't seem to know anything about it and I somehow have gotten roped into following up. I understand from [REDACTED] that [REDACTED] is aware of this. We wanted to make sure that Bill was taking rep with him and also figure out whether CLU rep should come as well. (If so, I've talked to [REDACTED] about them making someone available.) [5/8/2018 11:10 AM] [REDACTED] (OGC) (FBI): So, can we chat?

2016-08-01 21:27:29	moffa	laycock	Hi Steve. Are you talking about in terms of what the Russians or others are doing to target it or who is coordinating with the campaigns about briefings, etc?
2016-08-01 21:32:55	moffa	laycock	Special project is in [redacted] but I have the analytic part of it so I committed 4-5 IAs and an SIA. Pete is running point on the ops side (he is on his way to London right now in fact). I'm happy to take whatever you have and can help direct traffic since I seem to sit in the middle of a lot of it...

2016-08-23 20:16:11		laycock	Call ASAP when you get back regarding this London Op. Thanks!
2016-08-24 11:27:54		laycock	LA should be on the ground in London for approx. one hour now. We have not heard anything, so I think we're good.

2016-10-18 11:38:19		laycock	I got a lot done last night....was out by 8:40 or so. Spoke to Jon this am....his account was they our folks jumped on them immediately stating....the are not sharing with us.....and "this is not new, Russians have been doing this for as long as we can remember"....."this project is the abominable snowman".....and "we all thought this was going to go away on Sept. 30th." I'm bringing them in again at 9:15am to discuss. And, essentially tell them we need to put the negative feelings aside, and just work together on this op plan. All needs input, and discuss the pros and cons of what goes in there. Without flareups. I know the negativity was there, just don't know if they brought up old stuff to Jon. According to Jon, it was still there yesterday. I think a visit by you at some point would be warranted. maybe not the 9:15am today, but any other time of your choosing....or is you want the 9:15 am today, that's fine too.

Hey there--

I'm writing because a very strange document has crossed my desk that may--or may not--have implications for investigations you guys are conducting. Under normal circumstances, I would simply assume that the document is either a fraud or that you guys already know all about it. (Both may well be true, as it is.) The wrinkle here is that the document--which purports to be a series of reports/dispatches by a private British intel company on

Trump and Russia and the hacking and contains a number of highly-detailed accounts stuff that would be explosive if alleged publicly--is being furiously investigated by, at a minimum, the Wall Street Journal (the document was given to me by Shane Harris). What's more, it seems to already be in the hands of the SSCI. I wouldn't be surprised if it's also in the hands of other congressional committees.

I want to stress that I have NO idea if it is authentic, much less accurate. But I thought I would alert you to it in case, for some reason, it hasn't made its way to your people long ago. I'm happy to put you in touch with Shane, if you're interested in hearing his account of what it is, or I can just forward a copy to you.

Hope you're doing well. It was great seeing you a couple of weeks ago.

Happy New Year.

/b

The Honorable Ron Johnson
Chairman
Committee on Homeland Security and
Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Chairman Johnson:

This further responds to your letter, dated October 2, 2020, requesting the production of additional text and Lync messages related to the Crossfire Hurricane investigation. This supplements our letters and productions to the Committee, dated October 9th, 14th, and 15th.

The Attorney General has determined it is now appropriate to provide additional text and Lync messages, which are responsive to the Committee's expressed investigative inquiries and enclosed with this letter, Bates-stamped: Senate HSGAC_TransitionReq FBI004036-FBI004037. The enclosed messages come from two Senior Executive Service (SES) custodians identified and prioritized by Committee staff, and for whom the FBI had an existing collection of messages. Specifically, the enclosed documents are for Lync messages: James Baker, FBI004036; Text messages: James Comey, FBI004037.

Consistent with the October 9th, 14th, and 15th productions, in identifying these additional text and Lync messages the FBI and the Department of Justice, acting in good faith and out of an abundance of caution to avoid excluding relevant messages, opted to include certain text messages that could be related to the Crossfire Hurricane or Midyear Investigations, but we could not conclusively determine whether they were related. Accordingly, the mere inclusion of these messages should not be understood to indicate that the messages were related to one of those investigations. Limited redactions have been made to, among other things, protect personally identifiable information, law enforcement sensitive information, and the identity of non-SES personnel. The FBI is willing to engage in discussions regarding specific redactions about which there may be questions.

The FBI has surged additional resources and is expediting its ongoing review of the remaining message collections for the custodians prioritized by Committee staff. Thank you for your support of the FBI, its mission, and its people.

Sincerely,

Jill C. Tyson

FBI-NOT FOR PUBLIC RELEASE - PRODUCED TO HSGAC

U.S. Department of Justice

Federal Bureau of Investigation

Washington, D.C. 20535-0001

October 23, 2020

The Honorable Ron Johnson
Chairman
Committee on Homeland Security and
Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Chairman Johnson:

This further responds to your letter, dated October 2, 2020, requesting the production of additional text and Lync messages related to the Crossfire Hurricane investigation. This supplements our letters and productions to the Committee, dated October 9th, 14th, 15th, 19th, 21st, and 22nd.

The Attorney General has determined it is now appropriate to produce additional text messages, which are responsive to the Committee's expressed investigative inquiries and enclosed with this letter, Bates-stamped: Senate HSGAC_TransitionReq FBI004262-FBI004295. The enclosed messages come from Peter Strzok, a Senior Executive Service (SES) custodian identified and prioritized by Committee staff, for whom the FBI had an existing collection of messages.

Consistent with the October 9th, 14th, 15th, 19th, 21st, and 22nd productions, in identifying these additional text messages the FBI and the Department of Justice, acting in good faith and out of an abundance of caution to avoid excluding relevant messages, opted to include certain text messages that could be related to the Crossfire Hurricane or Midyear Investigations, but we could not conclusively determine whether they were related. Accordingly, the mere inclusion of these messages should not be understood to indicate that the messages were related to one of those investigations. Limited redactions have been made to, among other things, protect personally identifiable information, law enforcement sensitive information, and the identity of non-SES personnel. The FBI is willing to engage in discussions regarding specific redactions about which there may be questions.

The FBI has surged additional resources and is expediting its ongoing review of the remaining message collections for the custodians prioritized by Committee staff. Thank you for your support of the FBI, its mission, and its people.

Sincerely,

Jill C. Tyson
Assistant Director
Office of Congressional Affairs

The Honorable Ron Johnson

329					They're still obsessed with the Russian bank stuff.
330					Hey leave early enough for time to tell me what JR said so we can cook up our story.
331					I'm outside of kortans
332					I haven't connected with jr.
333					Ok left a yummy in your office.
334					And hi. Finally two pages away from finishing atpm. Did you know the president resigns in the end?!
335					😊

338				3/14/17 10:07 PM	3/15/17 2:07 AM	What?!?! God, that we should be so lucky You can give it to me. No promises that I read it though. All I want for the trip is no expectations.

340		148971460000	3/16/17 9:34 PM	3/17/17 1:34 AM		Why no response to my first email?
341		1489714634989	3/16/17 9:37 PM	3/17/17 1:37 AM		Which one?
342		1489714954295	3/16/17 9:42 PM	3/17/17 1:42 AM		What has you fired up? Her presumption with [redacted] about being left out? Wasn't aware anyway? [redacted] was out, Trisha had the lead and gave to [redacted] Yes. Totally wait for her comment - it's going to be he's mine, it should have come to me, and then you launch into had zero time, nsib had already done it, they shot it to [redacted] who of those available, knew the document best.
343		1489714975000	3/16/17 9:42 PM	3/17/17 1:42 AM		Who had the lead in nsib on this?
344		1489714975000	3/16/17 9:42 PM	3/17/17 1:42 AM		I know [redacted] did the work, but did the task go to Baker? Trisha?
345		1489743880617	3/17/17 5:44 AM	3/17/17 9:45 AM		Hey did I hear right that the product we wrote two nights ago was sent to Graham and Whitehouse (or anyone else)?

349		1489796810000	3/17/17 8:26 PM	3/18/17 12:26 AM		Is it not the letter that doj sent up responding to the wiretap question?
350		1489796908036	3/17/17 8:28 PM	3/18/17 12:28 AM		No. He said it described investigations/techniques. And that she had the one name. None of that would be in the doj letter.
351		1489796955000	3/17/17 8:29 PM	3/18/17 12:29 AM		Your name isn't in the two or in the 4 Para summary. So must be a leak of docs supporting the report.

364		1489871954802	3/18/17 5:19 PM	3/18/17 9:19 PM		What do you think of the addition of assessment about whether crimes were committed? Avoids the "just an intel case" canard?

366		1489872203921	3/18/17 5:23 PM	3/18/17 9:23 PM		Not a big change - Added sentence saying CI cases can also include assessment if crimes were committed.

370							I guess. It sounded like Lisa gave it up the chain starting with [redacted] but I don't think it made it to you. And by the way, [redacted] and [redacted] did not even appear to think about the fact your branch needed to see it (which shouldn't be surprising). You definitely need to talk with [redacted] about her plan for it

380							Whoa, did you see the nyt push?
381							I have no idea how ssci does that without compromising sources and methods.
382							Ha. You see CNN reporting Nunes on WH grounds the day before his announcement?
383							Yup. Pulling up miller article now.

407		1491954177000	4/11/17 7:42 PM	4/11/17 11:42 PM	Aggressive effort to break the slog that is and will inevitably be getting to the bottom of CH.
408		1491954286007	4/11/17 7:44 PM	4/11/17 11:44 PM	Ok. Thanks You see the WP article? Gas on the "cloud" and leak narrative.

423		1492913677000	4/22/17 10:14 PM	4/23/17 2:14 AM	My smart, informed friend [redacted] and I have been texting about the article. It's kind of validating to get his take, because he has so much more context now (though he was never a "it's all Comey's fault guy") it's very gratifying to get an outsiders perspective. Remind me to show you.
424		1492913677000	4/22/17 10:14 PM	4/23/17 2:14 AM	Please

429		1492913824153	4/22/17 10:17 PM	4/23/17 2:17 AM	I won't read the comments.
430		1492913896000	4/22/17 10:18 PM	4/23/17 2:18 AM	Good call
431		1492913967863	4/22/17 10:19 PM	4/23/17 2:19 AM	Yes, you sent it to me. Kaboom. Though I'm not really sure I understood it. I guess because it's like a bomb going off because the "liberal" NYT isn't just shoveling out the Clinton proagenda?
432		1492913971000	4/22/17 10:19 PM	4/23/17 2:19 AM	I wasn't crazy about the paragraphs before the federal bureau of matters. Felt they were too conclusory, too superficial. But I guess the rest of it was fine.
433		1492913971000	4/22/17 10:19 PM	4/23/17 2:19 AM	You were mentioned a lot. 😊 Wonder what [redacted] is going to say. 😊

437									I'm not sure I understand the Tweet either. I think his notion that will cause a stir in the overall liberal New York Times readership.
438									Yup. Same same.
439									And funny, I had exactly the same thought about that part of the article, it seems like somebody had to put that in there. I'm not sure the reason why.
440									Of course you did. ☺
441									Is the source available for recontact?
442									Np. Was just calling to say that we're going to hold on opening that one case for a couple of days while Baker talks to doj. Will explain more later, going to tell you now.
443									That's crazy. Sorry to not respond until now. My phone was all jacked up while over in
444									Got back
445									Hey turn on CNN re Yates
446									CNN had coverage /advance notice of what they claimed was the Trump security guy dropping off firing letter at fibiq earlier this afternoon.
447									Have to talk to Kortan on mother f*cking Peter Huckabee said D had "lost confidence of rank and file of fbi"
448									Hey assume you're getting dump. Meeting with DAG was about coordinating investigation.
449									WH press conference is interesting. Trump told Lester Holt about dinner, all kinds of Qs about those discussions.

451									McCabe Is Known at F.B.I. for His Precision and Intellect https://nyti.ms/2q7iuTM
452									I feel that same loss. I want to see what the FBI could become under him! His vision of greatness for our strong but flawed organization. I'm angry. Angry and mourning.
453									Yeah I kept telling myself the organization is much bigger and stronger than any one person, that we'll endure.
454									And WP push reporting T disclosed highly classified foreign govt info to Russians last week re CT threat...
455									Call me about please
456									NYT push
457									Oi atty is making some minor changes to package, will have to 7 floor as soon as it gets here, paper copy only. On docket for Monday. All greased and ready once signed.
458									Rgr thanks
459									My interview partner. Who I need to tell nothing is set and we're not going first thing. Because doesn't relay sh*t.
460									Yeah, I get it. And Andy could certainly write it but I took notes.
461									So call tonight and ask. It didn't come up directly. It was very frenetic.
462									I'd rather you write it We also need class review. Chaffetz has asked for all writeups
463									Actually you need to write it. Andy's a witness, you're not.
464									He's either a dead man walking and/or a hero. Doing so only helps him, doesn't hurt him.
465									History is watching. He needs to. To redeem his soul, first and foremost.

FBI-NOT FOR PUBLIC RELEASE-PRODUCTS

U.S. Department of Justice

Federal Bureau of Investigation

Washington, D.C. 20535-0001

October 30, 2020

The Honorable Ron Johnson
Chairman
Committee on Homeland Security and
Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Chairman Johnson:

This further responds to your letter, dated October 2, 2020, requesting the production of additional text and Lync messages related to the Crossfire Hurricane investigation. This supplements our letters and productions to the Committee, dated October 9th, 14th, 15th, 19th, 21st, 22nd, 23rd, and 27th.

The Attorney General has determined it is now appropriate to provide additional text messages and Lync messages from the FBI's classified-Secret enclave, which are responsive to the Committee's expressed investigative inquiries. The Lync messages, Bates-numbered Senate_HSGAC_TransitionReq FBI004564-FBI004570, are classified documents. Pursuant to the FBI's agreement with Committee staff, these classified documents will be provided to the Office of Senate Security when it re-opens on November 3, 2020, for review by cleared staff until November 20, 2020. In the interim, these messages will be available in the Department of Justice reading room beginning on October 30, 2020. The text messages are enclosed with this letter and are Bates-numbered Senate_HSGAC_TransitionReq FBI004571-FBI004577.

The text and Lync messages come from Senior Executive Service (SES) custodians identified and prioritized by Committee staff, and for whom the FBI had an existing collection of messages. Specifically, the provided documents are for Lync messages: David Archey, FBI004564; Eric Barnhart, FBI004565; Dina Corsi, FBI004566-FBI004567; Charles McGonical, FBI004568-FBI004569; and Charles Spencer, FBI004570. Text messages: Randall Coleman, FBI004571-FBI004572; Carl Ghattas, FBI004573; Charles McGonical, FBI004574-FBI004576; and Charles Spencer, FBI004577.

Consistent with the October 9th, 14th, 15th, 19th, 21st, 22nd, 23rd and 27th productions, in identifying these additional text and Lync messages the FBI and the Department of Justice, acting in good faith and out of an abundance of caution to avoid excluding relevant messages, opted to include certain messages that could be related to the Crossfire Hurricane or Midyear Investigations, but we could not conclusively determine whether they were related. Accordingly, the mere inclusion of these messages should not be understood to indicate that the messages were related to one of those investigations. Limited redactions have been made to, among other things, protect personally identifiable information, law enforcement sensitive information, and the identity of non-SES personnel. The FBI is willing to engage in discussions regarding specific redactions about which there may be questions.

The Honorable Ron Johnson
Page Two

The FBI has surged additional resources and is expediting its ongoing review and production of the remaining message collections for the custodians prioritized by Committee staff. Thank you for your support of the FBI, its mission, and its people.

Sincerely,

Jill C. Tyson
Assistant Director
Office of Congressional Affairs
